Ken Jacobsen (and family)
recently moved to rural Italy. This
first DCMC concert at
Fontecchio International Airport
focuses on the music of
mysticism.

For this concert, mysticism is
defined as the pursuit of oneness
with the universe, whether that's
God or nature or yourself.
Sometimes it
can be contemplative and
sometimes joyous.

Ken will play solo guitar,
Anders Jacobsen will play cello,
and fellow Fontecchio musician
Fabrizio Valente will play
percussion and Japanese flute.
